

1. Ensure Wi-Fi is enabled - and Airplane Mode is switched off.
2. Select the network icon from your desktop task-bar (bottom right).

3. Select ARA-WIFI From the Charms Menu that appears, and enter your everyday Moodle/Computer username and password - click OK.

4. You will be asked to connect to the ARA-WIFI network. The certificate thumb-print is: 69 D8 59 9B 14 03 CF B2 F0 1D E1 9A A8 AF 78 C1 C9 FF EB 7C.

5. Once connected, you will only have to reconnect your device to the wireless network if your Ara password changes.
