

# Get Office 365 Education for free

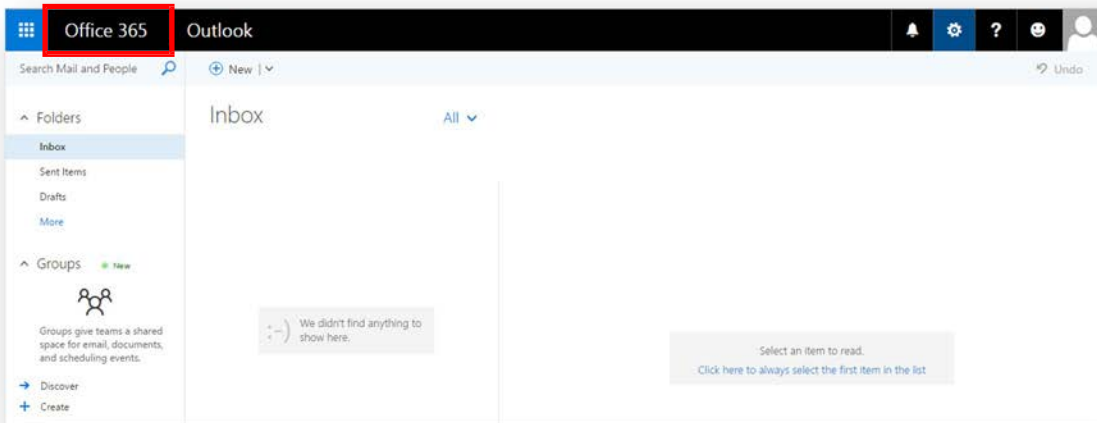

Office 365 Education is a collection of services that allows you to collaborate and share your schoolwork. It's available for free to currently enrolled Arastudents.

Office 365 Education includes Office Online (Word, PowerPoint, Excel, OneNote, and Sway), and 1TB of OneDrive storage.

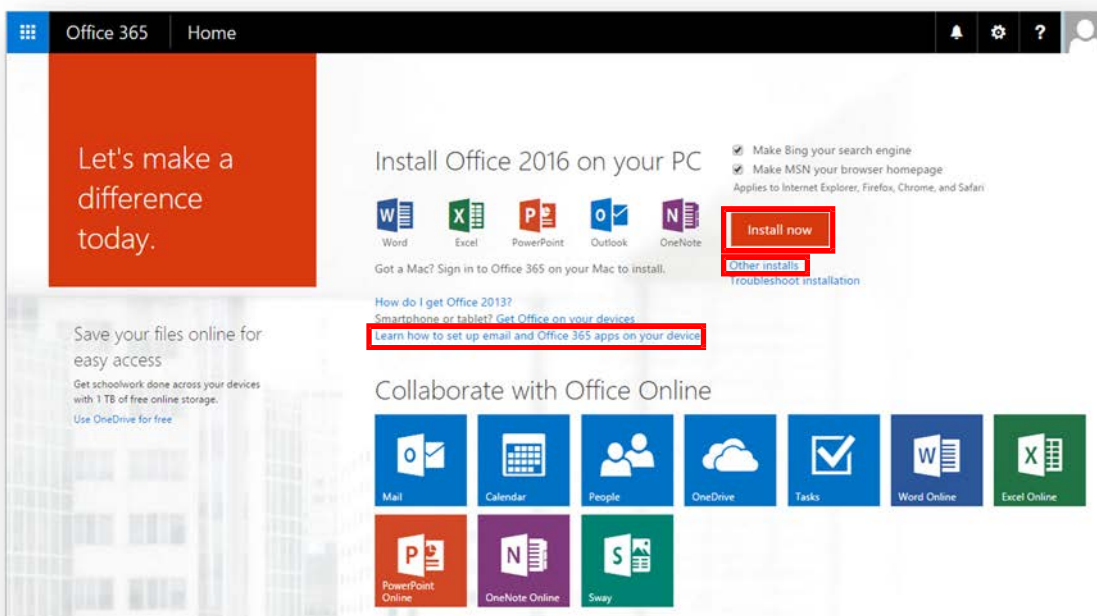

Ara also allows students to install the full Office applications on up to 5 PCs or Macs for free. The license will be valid for the period of your enrolment at Ara.

Please sign in to your student email at <http://www.outlook.com/arastudent.ac.nz> using your student email address **username@arastudent.ac.nz**, and your everyday Moodle/Computer password.

Once logged in, click on **Office 365** in the top left corner..

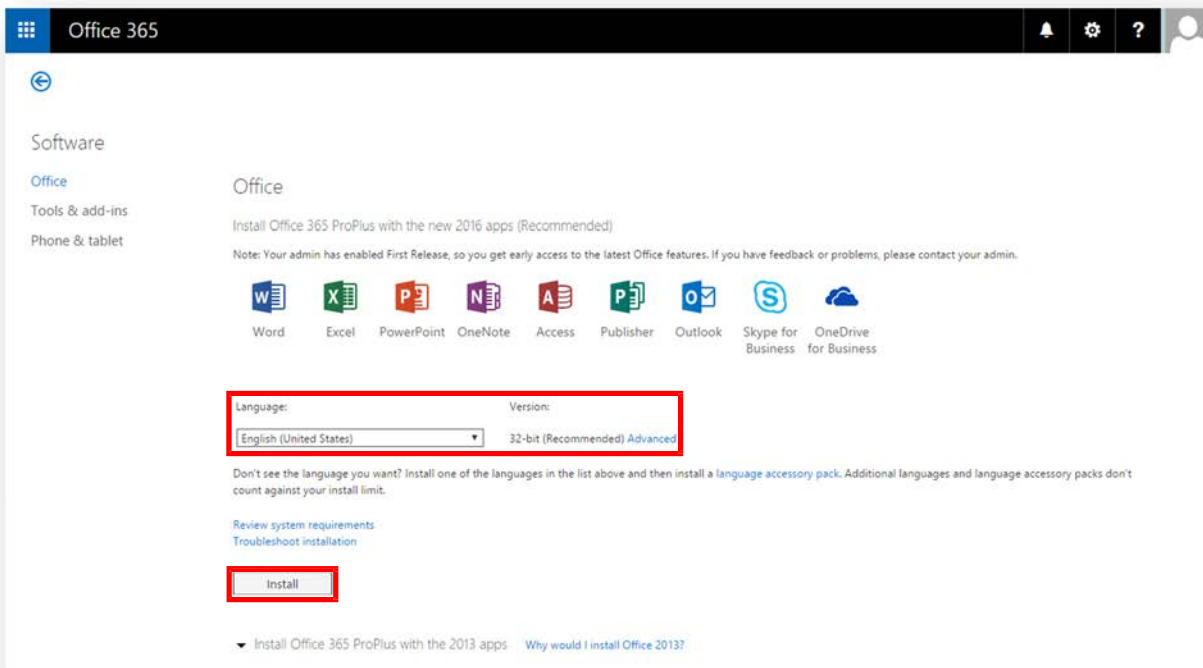

In the next page that loads, click on **Install now** to install Office 2016 on your PC/Mac. For additional support, click on **Learn how to set up email and Office 365 apps on your device..**

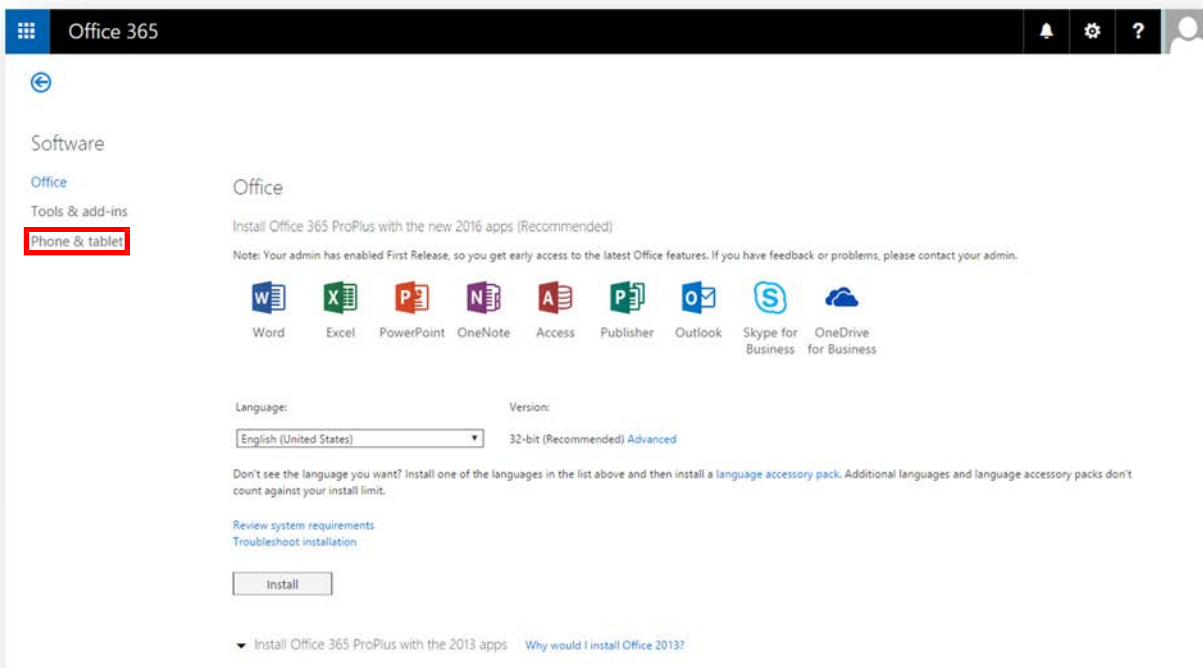

If you prefer a different language or version of Office for your device, click on the **Other installs** link.

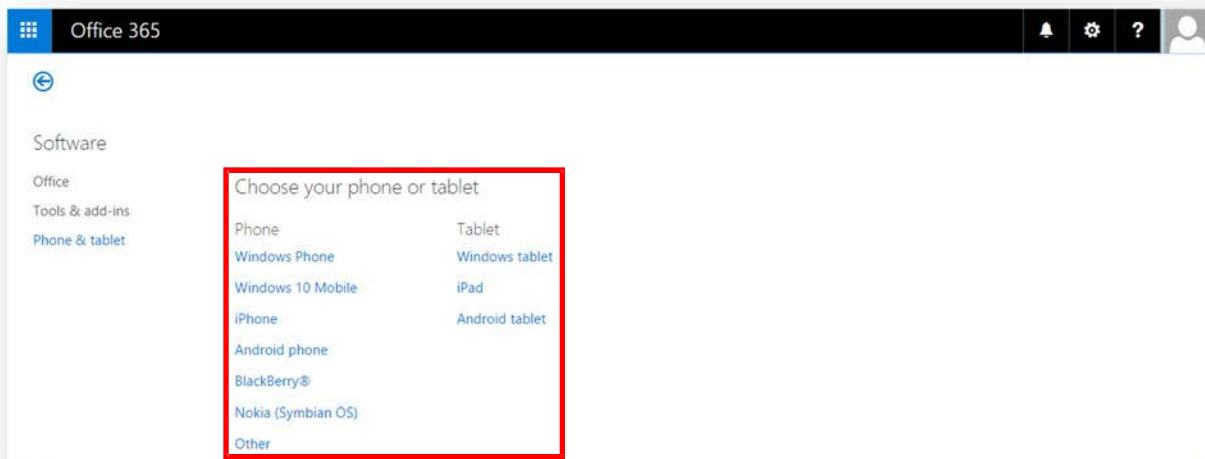

In the next page that loads, select your preferred language and version from the drop-down menu and click on **Install** and follow through the Installation Wizard.

For a version of Office that suits your device, click on the **Phone & tablet** link in the left navigation menu.

When the next page loads, choose your phone or tablet from the list of options available.

You will be redirected to the relevant App Store to download and installation of your Office apps.
